8. HealthTech
9. Others

* Applications are invited in English, Gujarati & Hindi

APPLICATIONS DIVIDED IN THREE LEVELS

Idea Stage

The applicant should have a ground-breaking idea thought through, based on reality having a socially beneficial solution. Having a business plan to demonstrate that this solution will be viable in the market would be a bonus

Blooming Stage

Product or service which has already been developed and can be applied to answer the Problem Statement within each Theme. The startup should be in existence for 0 - 3 months.

Scale up Stage

Have commercialized the product and must have done market trials and have substantial positive customer feedback and the startup should be generating revenue for more than 3 months to 5 years

PRIZES FOR IDEA STAGE

25 prizes of INR 10,000 each

*The applicant should also have a business
 plan to demonstrate that this solution will
be viable in the market.

PRIZES FOR BLOOMING STAGE

There will be 3 prizes

►**First prize** INR 3 lakh

►**Second prize** INR 2 lakh

►**Third prize** INR 1 lakh

PRIZES FOR SCALE-UP STAGE

There will be 16 prizes

Four Super Jury Prizes

1.INR 30 lakhs
2.INR 27 lakhs
3.INR 25 lakhs
4.INR 22 lakhs

12 consolation prizes of INR 12 lakhs each

SELECTION PROCESS

Idea Stage: Top 5 applicants from each sector i.e 5 x 8 = 40, one panel consisting of 8 experts will be formed to evaluate these 40 applications and shortlist the 25 winners.

Blooming Stage: Top 2 applicants from each sector i.e 2 x 8 = 16, one panel consisting of 8 experts will be formed to evaluate these 16 applications and shortlist the 3 winners.

Scale-up Stage: Top 8 applicants from each sector i.e 8 x 8 = 64, a Jury panel consisting of 5 experts in each sector will be formed to evaluate these 64 applications and shortlist the 16 finalists.

SUPER JURY for Scale up finalists

16 finalists will pitch to Super jury on **12th October** 2018 consisting of 8 experts (1 from each sector) to select the **top 4** winners.
